MAERSK

The screenshot shows the Maersk Notifications setup process. At the top, there's a navigation bar with 'MAERSK' logo and links for Prices, Book, Tracking, Schedules, Logistics solutions, and Manage. The main heading is 'Notifications'. A 'Create new notification' button is highlighted with a blue circle '4'. Below it, there are dropdowns for 'All notifications' and 'Latest'. A table shows existing notifications with columns for Email Address, Notification type, and Last Updated. A 'Create new notification' modal is open, showing options for notification types: Transport plan changes (selected), Bill of lading, and Arrival notice. A 'Continue' button is highlighted with a blue circle '4'. Below the modal, there's a section for 'Transport plan notifications' where users can select which types of transport plan changes they want to receive. Options include Estimated time to arrival (ETA), Estimated time of departure (ETD), Vessel and voyage, and Port and terminal. Frequency options are 'Once a day on' (with days selected), 'Every 4 hours', and 'Every 12 hours'. A 'Create' button is highlighted with a blue circle '7'. At the bottom, there's an 'Email Details' section with fields for 'From', 'To', 'Email address', and 'Language'.

Step 4: Click “Create new notification” then set up for each notification. Click “Continue”

Step 5: Select minimum ETA, ETD change in icon select other language if any

Step 6: Choose frequency to receive notification

Step 7: Select “My Company” or “My bookings” to receive notifications then Click “Create”

Step 8: you can revise set up by click to icon to edit delete set up

Bill of lading and Arrival notice will be set up the same above
