# Electronic Cargo Release (ECR)

Electronic Cargo Release (ECR) will help you to request telex via website instead of requesting via e-mail or call. Customers only need to settle the payment of Telex Fee and don't have to surrender the OBL + LOI anymore. Request for ECR can be placed on a shipment from any cargo originating country. The restriction applies to some of the destination countries and there will be notification as below so you unable to choose ECR.

ⓘ We don't offer Electronic cargo release for your Destination country. Please reach out to your local country office for more info. ✕

This request can be made with the condition below

- Logged in customer is the Transport Document Receiver (TDR)
- Final Original Bill of Lading has been issued.
- Customer have signed the web print BL agreement.
