Customers are encouraged to request collectors to adjust these against their outstanding invoices. Kindly ensure that there are no outstanding invoices prior raising a request, as there are chances that Refund request could be rejected.

- We are not accepting any personal bank account number, hence please provide your company bank account number. *The beneficiary name should be same with the company name.*
- Minimum refund could process USD 3.
- **Effective 15 November 2021**, every refund request is mandated to be raised through MyFinance (*Click [here](#) to see the guidance in details or click FIND OUT MORE button below.*)

You can proceed the refund to the listed bank in the MyFinance or add new bank account to Maersk Master data (*any one of the below mandatory details*)
