

6 April 2020

Introducing MATCHBOX Exchange: Reusing Container Made Simpler

For many years, Sealand – A Maersk Company Asia has been supporting our customers to lower transport and administration fees while reducing environmental impact through container reuse and exchange. From **Monday 6th April 2020**, all container reuse and exchange requests will be directed to MATCHBOX Exchange which provides an instant response for container reuse requests, 24/7.

Available Services	Cost (Per Container)	
Container Reuse	MYR100 per reuse	Best for customers with both import and export opportunities, allowing you to reuse an import container to an export booking
Container Exchange	MYR50 per exchange	Best for customers with either import or export opportunities, allowing you to offer an empty container to another customer, or accept an empty container from another customer (triangulation)

We have partnered with MATCHBOX Exchange since 2016 and have worked together to evolve their service to offer the best possible reuse solution to our customers. It is faster and easier than sending an email. To learn more and to sign up please visit [MATCHBOX Exchange](#)

We thank you for your on-going and valuable support. Should you have any questions, concerns or clarifications, you may reach out to the Sealand – A Maersk Company Asia office.

Best Regards,
Sealand – A Maersk Company Asia
