Update of the Rate of Exchange (ROE)

June 18, 2025

Dear Valued Customer,

In connection of guidelines from the Myanmar Port Authority (MPA), we Maersk Line Myanmar, would like to inform you regarding the Rate of Exchange (ROE) with effective date 01 JUL 2025.

In order to simplify in term of invoicing process, customer to be settled based on the average ROE rate as 3608 MMK per USD instead of keep following to change as daily basic, until further notice.

This is applied to ALL charges under unit price as USD for both Export & Import direction including Detention fee, while the freight related is collected at Third Country only. Export - Import Detention Tariff as detailed [here](#).

Remark: Demurrage and Reefer Plug-in charges of Export and Import will be collected by terminal directly as per Myanmar Port Authority with effective on 1st October 2015 onwards.

We request you to ensure payment in full and on time based on this updated ROE rate to avoid unexpected costs arising from late payment due to any reason. In case of any questions, please contact your local representative.

Yours faithfully,

Maersk Line Myanmar Limited
