## Updated Philippines Export Freetime

22 September 2020

Dear Valued Customers,

Please be advised that the new Philippines dry export freetime is now **14 calendar days**. This is to provide sufficient leeway to our Intra-asia exporters/shippers so they can manage their containers and shipments well.

The above changes will be in effect and will be applied to all shipments with October 1, 2020 vessel ETD date (PCD).

EQUIPMENT TYPE	FREETIME	DETENTION CHARGES	20' PER DAY	40'/45' PER DAY
Dry containers (including IMO)	<b>14 Calendar Days</b>	15 to 19th day	Php 1,500.00	Php 3,000.00
		20th day onwards	Php 2,000.00	Php 4,000.00

Aside from this, get bigger discounts that can reach up to \$100 for your shipments via SPOT. [Book now!](#)

Should you have further queries or require additional information, please contact your local Sealand Philippines representative.

Warm Regards,

**Sealand – A Maersk Company Asia**
