

## Last Free Date and Charges Calculation for Your Import Shipment

Dear Valued Customer,

To help you review your available free time and charges upon container return, we have launched the new Demurrage and Detention Calculator to improve your shipping experience with us.

Do note that this feature is only accessible to import parties in shipment (Consignee and First Notify Party). Once delivery order is submitted on maersk.com, the appointed haulier, Release to Party, would be able to access this feature online as well. Otherwise, import tariffs are also available at our [local information](#) page.

### Steps:

1. Log in or create new user to view the [Hub](#) on Maersk.com.
2. Scroll down to the bottom right of the webpage, then enter BL number under **Import Demurrage & Detention**

Import Demurrage & Detention  
View information on demurrage & detention.

BL number

**VIEW D&D DETAILS**

3. Select **Detention** to view combined demurrage and detention last free date, and select return date to calculate charges by selecting your **Empty return date**

Demurrage **Detention**

Detention charge & free days details

You can select a new 'Empty return date' to view detention charge applicable (as per the contract/ standard tariff). [Empty return location](#)

Containers	Free Days	Last Free Date	Empty return date	Chargeable days	Detention price Days X Rate
.....   20 Dry Standard Alcoholic beverages, nos	7 days	17 Aug 2020 ⓘ	01 Sep 2020 📅	15 days ⓘ	SGD 1,085.00 ▾
Total no. of containers: 1					Total price* SGD 1,085.00

\*Detention price displayed is initial estimate for this shipment based on selected empty return date.  
Your invoice will contain additional local tax or changes to these figures in accordance to [terms and conditions](#).
