

23th August, 2021**Deactivation of COV surcharge code - Thailand (Short Sea)**

Dear Valued Customer,

Maersk has been on an on-going journey to simplify our business, which we believe will help simplify the way you do business with us.

We would like to announce that Change of Vessel (COV) surcharge code will be deactivated, since the COV surcharge will be merged with Change of Destination (COD) surcharge. An effective date is **August 23th, 2021**. The as-is and to-be surcharge details are as following tables.

As-is scenario:

Charge code	Charge name	Charge description	Unit	Amount USD
COV	Change of Vessel	Customer's request to change the new feeder after container gate-in at Sahathai, Lat Krabang and Laem Chabang prior the vessel will be departed from original port	Per container	80
COD	Change of Destination	Customer's request to change the destination/de-livery after a container is gated in at the port of origin, but prior to the arrival at the port of dis-charge	Per container	300

To-be scenario (Effective date 23-August-2021)

Charge code	Charge name	Charge description	Unit	Amount USD
COD	Change of Destination	Customer's request to change the new feeder/destination/delivery after a container is gated in at Lat Krabang or port of origin, but prior to the arrival at the port of discharges	Per container	300

Thank you for your continuous support. Should you have any questions, concerns or clarifications, please feel free to reach out to your local sales or customer service representative or visit our website <https://www.maersk.com>

Best regards,
Maersk
