RIVER FREIGHT PARAGUAY (RFD) - WORLD TO PARAGUAY

Dear customer

Maersk is continuously striving to offer a best in class service to its customers, providing you a high reliability and quality product when shipping your cargo with us. To offer our customers an overall transparent, consistent and easy shipping experience, we would like to inform that effective February 1st, our ocean freight will have a new structure, in which barge cost will be split. In this sense, River Freight Paraguay (RFD), will be implemented.

It is crucial to bear in mind that such implementation is not an additional cost and aims to be revenue neutral.
