

Country: United States

Direction: Export

Effective Date: 01 Jan 2026

Expiry Date: Until further notice

Free time: Working Day basis defined as any day a gate is open for container pickup Monday – Saturday. Partial day closures are considered as a full working day and count towards freetime. In the event a terminal closes on a day due to lack of appointment demand, that day shall be considered a working day for containers a party had an opportunity to make a timely appointment for, but chose not to do so. If a party made an appointment for a container but the terminal was closed, then that date shall not be considered a Working Day with respect to that container.

Currency: USD

Invoiced: Per container, per calendar day.

Application: The free time & charges applied will be those in place on the origin price calculation date (PCD)

Please note the below provides a general overview of our export demurrage and detention practices in the U.S. For complete details please refer to our tariff [here](#). In the event of any discrepancies between the below and our public tariff, the public tariff prevails.
