

Low Sulphur Surcharge (LSS)

01 June 2025

Dear Customer,

Maersk has reviewed its Low Sulphur Surcharge (LSS) and the new tariffs will be effective 01 July 2025.

The LSS tariffs have been calculated using the price difference between 0,5% Sulphur fuel oil (VLSFO) and 0,1% Sulphur fuel oil (LSMGO). The difference calculated is 148,15 USD/TON. The details on the period used for the calculation can be found in the table below:

LSS	Review Period				Effective Date	Fuel Type	Average (In USD per ton)
	From Date	From Month	To Date	To Month			
Latest Rate Average	26	Feb	25	May	01-July-25	VLSFO (0,5%S)	494,44
Latest Rate Average	26	Feb	25	May	01-July-25	LSMGO (0,1%S)	642,59

Please note that cargo with origin, destination or transshipment in the Baltic zone (defined as Finland, Russia, Estonia, Latvia, Lithuania and East Coast of Sweden) will be charged with an additional add-on (final tariffs are reflected in tables which read – Baltic)

The LSS will be applicable to all Maersk contracts, independent of the validity, and the tariff values can be found in the tables on the following pages.

Feel free to reach out to your sales representative if you have any questions.

Best regards,
Maersk
