

# How to view & track Import Shipment Details

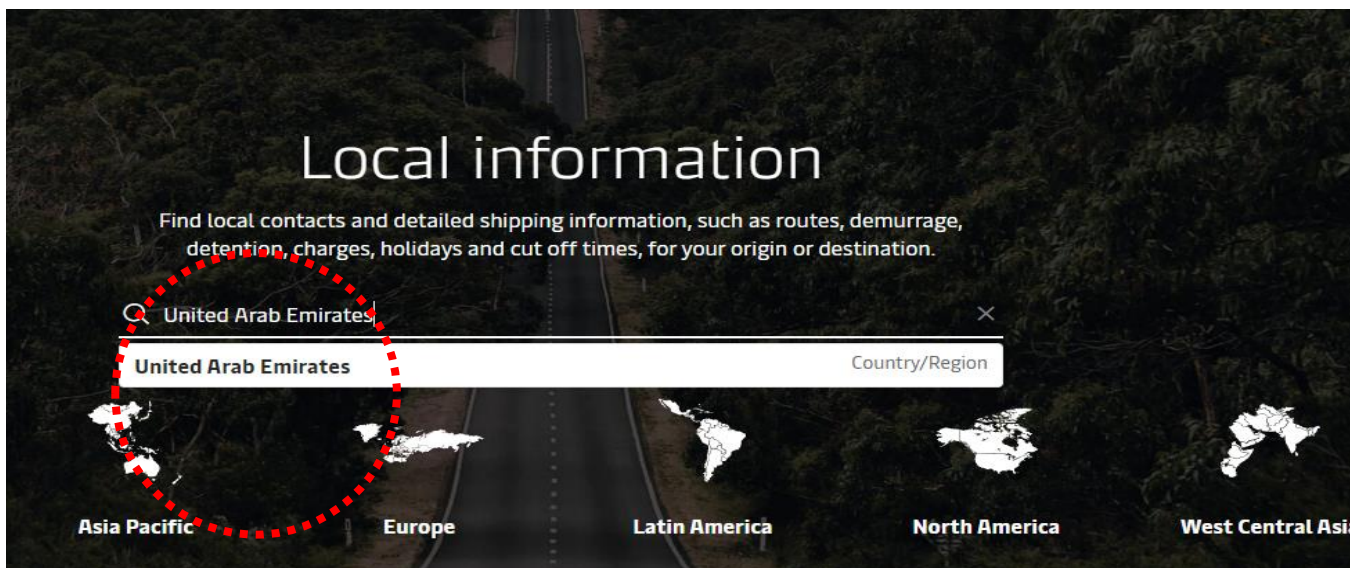

Import Shipment Details file help you know ETA of the shipment, Bill of lading type, Bill of Lading status, local charges and free time.

1. No Login credentials are required to access the file/details
2. File is available 24\*7 and is user friendly
3. It gives a visibility on your Past & Future 30 days shipments.
4. You can check both Maersk and Safmarine shipments

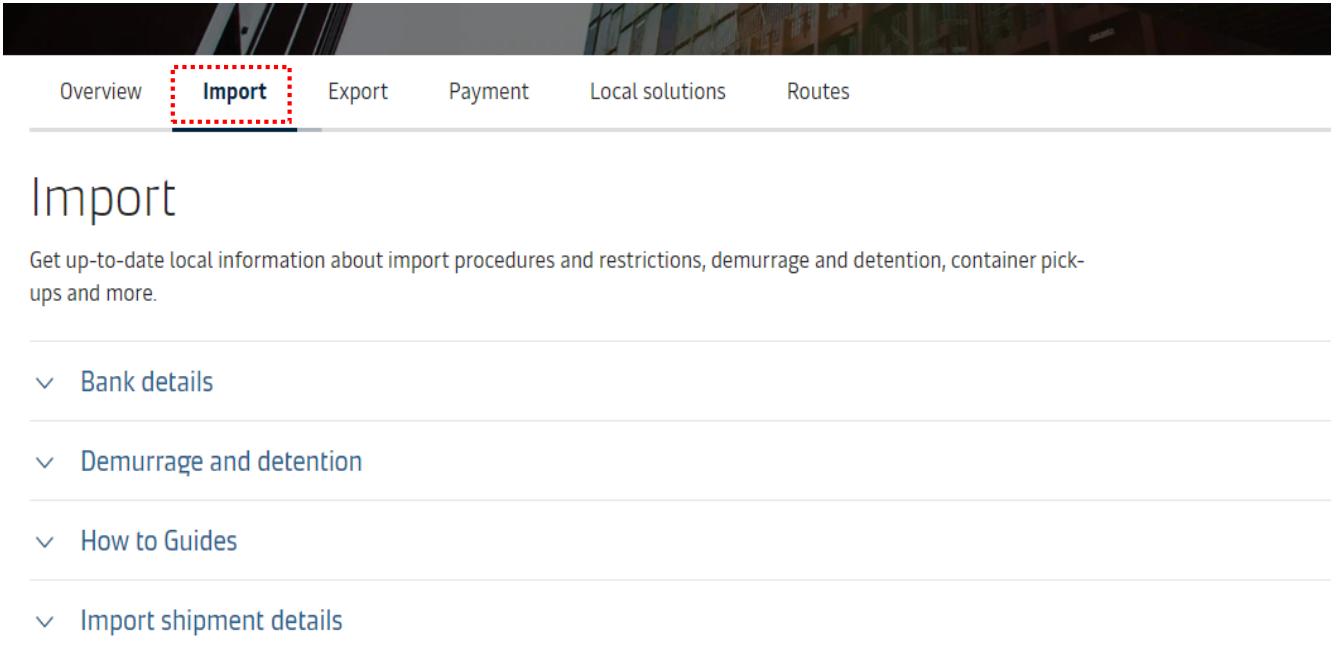

Step 1. Go to **www.maersk.com** and click on top right corner and then on **Local Offices and Information**

Step 2. Enter the country as **United Arab Emirates** and select **United Arab Emirates**

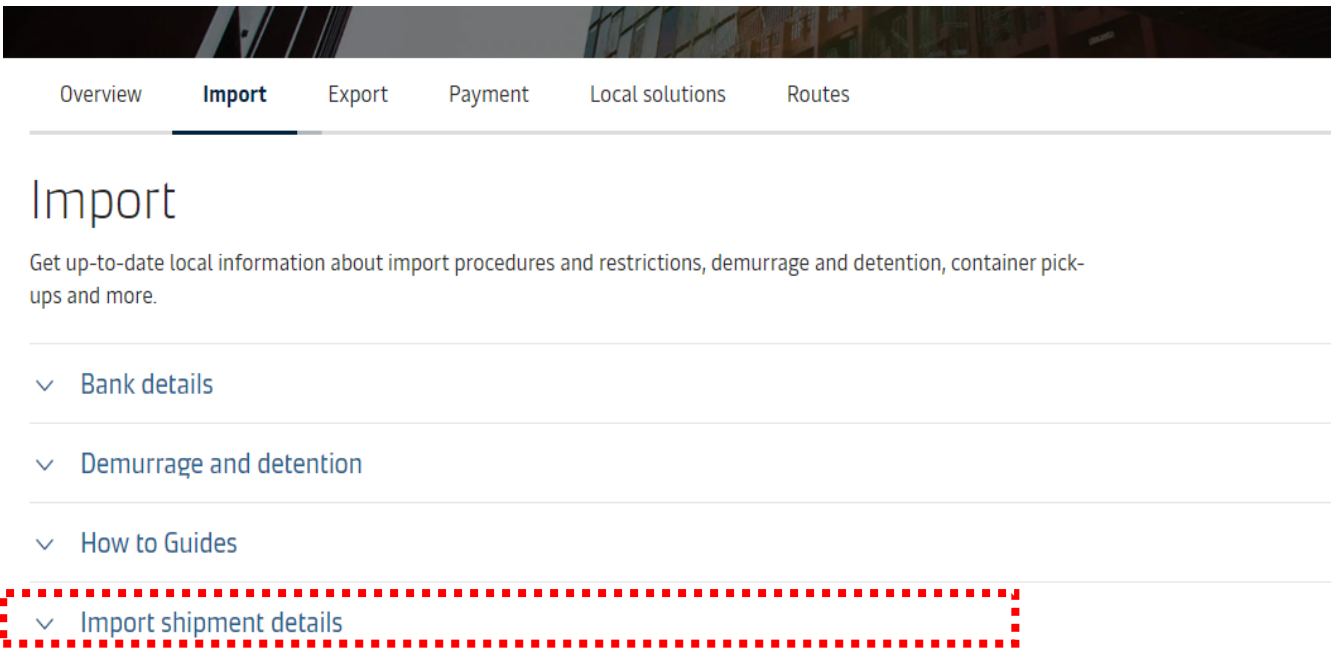

### Step 3. Now click on **Import**

The screenshot shows a navigation bar with the following items: Overview, **Import** (highlighted with a red dashed box), Export, Payment, Local solutions, and Routes. Below the navigation bar is the heading "Import" and a sub-heading "Get up-to-date local information about import procedures and restrictions, demurrage and detention, container pick-ups and more." Below this are four expandable menu items: Bank details, Demurrage and detention, How to Guides, and Import shipment details.

### Step 4. Click on **Import Shipment Details**

The screenshot shows the same navigation bar as in Step 3, but now the "Import" tab is selected and highlighted with a solid blue bar. The "Import shipment details" menu item is highlighted with a red dashed box. The rest of the page content remains the same as in Step 3.

Step 5. Now click on the **Import Shipments details** link and download the excel file
